

To whom it may concern,

ZAL, due to their proficiency in Interior Design and Project Management, have been awarded the projects listed below,

Year 2010 - Awarded design and built contract of S\$2,987,350.00 including Architectural, M&E, Fire protection system, Plumbing and Air Conditioning system of office space up to 112,000 sqft at 1 Pickering street, GE Centre, level 9 -15.

Year 2012 - Design Consultancy for GE IT department at Alexandra Technopark with an approximate floor area of 21,000 sqft

Year 2012 - Design Consultancy for GE House Building Level 1 - 6 at 49 Beach Road with a total floor area of 27,000 sqft

Year 2013 - Design Consultancy for GE Service Centre at 200 Changi Road with an approximate floor area of 16,000 sqft

Year 2011 - 2014 - Design Consultancy for Agency offices at Nankin Row and GE Centre

We were impressed with ZAL's project management skills in site planning and control. Their job knowledge and experience in resolving technical problems were outstanding. With their close supervision and proactive leadership, the renovation works were always completed timely and effectively.

We would like to take this opportunity to highlight our appreciation to ZAL Interiors Pte Ltd for their excellent jobs and services rendered. We look forward to more cooperation opportunities with ZAL Interiors Pte Ltd.

Yours Sincerely

Ben Tan
